

**Gospel Partners Covenant**

**Qualifications for Gospel Partnership:**

- Be a committed follower of Jesus Christ.  
This means you have repented of your sins, you believe that as the Son of God Jesus' death is the only full payment for your sin, you have placed your complete faith and trust in the finished work of Jesus Christ for your right standing before God, and you are now following Him as both your Savior and Lord.
- Be committed to and have a clear understanding of the gospel.
- Be committed to The Fields as your local church body.
- Be in agreement with The Fields' vision, mission, values, and doctrine.
- Have gone through the Gospel Partnership materials (either in a class or by listening to all eight sermons on Gospel Partnership and working through the discussion materials).

**As Gospel Partners you are committing to:**

- Actively apply the gospel to your own life and the lives of those at The Fields with both truth and grace, growing as a disciple and helping to make other disciples.
- Be on mission, looking for opportunities to share the gospel, both in proclamation and presence, to those who don't know Jesus.
- Maintain an attitude of humility with a teachable spirit, with a willingness to follow and submit to the elder/pastoral leadership of The Fields.
- Regularly (weekly) attend church services and participate in The Field's gatherings and events.
- Actively participate with The Fields by regularly serving within the body using your time, gifts and skills.
- Be an active participant in the community of The Fields, ideally as a member of a Community Group.
- Share the financial responsibility by committing to support The Fields with your first fruits through regular and joyful giving.

If you feel you do not qualify or cannot make these commitments at this time, we still welcome your participation with The Fields.

**Partner's Covenant**

I believe that I meet the qualifications listed above and I commit to Gospel Partnership at The Fields.
